PUERTO RICAN ASSOCIATION FOR HUMAN DEVELOPMENT, INC
100 FIRST STREET, PERTH AMBOY NJ 08861

September 20th, 2018 marks the one year anniversary of Hurricane Maria's destruction.

In its aftermath, Puerto Rico was faced with a rising death toll, lack of basic supplies, and the longest blackout in US history.

PRAHD is hosting a *Day of Reflection* to honor Puerto Rico's beauty, resiliency and our hope for a restored island. Join us at a pop-up art gallery where we will showcase local artists.

***Enjoy an evening of art, music and reflection on
restoring Puerto Rico***
